## EXPLANATORY NOTE

Pursuant to a limited review of our reports by the Securities and Exchange Commission (“SEC”), the SEC has requested that we amend this annual report for the year ended December 31, 2012 to clearly disclose the conclusions of our management regarding the effectiveness of our controls and procedures. Other than the changes in Item 9A, the disclosures in this amended report are as of the initial filing date of March 20, 2013 and this report does not include subsequent events.

### PART II

#### Item 9A. CONTROLS AND PROCEDURES

We maintain disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) that are designed to be effective in providing reasonable assurance that information required to be disclosed in our reports under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission (the “SEC”), and that such information is accumulated and communicated to our management to allow timely decisions regarding required disclosure. Our Chief Executive Officer and Chief Financial Officer evaluated the effectiveness of our disclosure controls and procedures as of the end of the period covered by this report. Based on that evaluation, they concluded that our disclosure controls and procedures were effective for the year ended December 31, 2012.

In designing and evaluating disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable, not absolute assurance of achieving the desired objectives. Also, the design of a control system must reflect the fact that there are resource constraints and the benefits of controls must be considered relative to their costs.

This annual report does not include a report of management’s assessment regarding internal control over financial reporting or an attestation report of our company’s registered public accounting firm due to a transition period established by the rules of the SEC for newly public companies.
